### IF YOU WANT TO BUILD :

- 1 - To build on a plot which is outside the limit of the town plan the minimum size of the plot must be 4.000m<sup>2</sup>.
- 2 - If the plot is close to the main road it can be 2.000m<sup>2</sup>
- 3 - Or if it is near the town plan it can be 500-600m<sup>2</sup>
- 4 - When renovating old stone houses in Crete that already have mains services you only need rewiring and plumbing etc. (floor tiling, making the walls sound and sometimes a new roof is necessary).
- 5 - A contract for the sale of a house or plot can be ready in 1 week.
- 6 - We have a team of builders available specialising in the renovation of old stone houses.
